## LAND WARRANTS!!

To Holders of

John L. Hodson,

DOWN BLOCK, Hammond Street, Bangor,

would call the attention of those who may

have LAND WARRANTS to call, to the fact

that he has for large numbers of Land

warrants from parties in the West, who authorize him

to pay for the same the highest market value in

CASH. Any person having a warrant may have

the same cashed, and he can obtain from Mr. H.

the most favorable price for it.

To those who desire to

Locate their Warrants,

he would further say that he has skilled and

experienced agents in the States of

WISCONSIN AND IOWA,

and in the Territory of Minnesota, who will

locate the same on the most desirable lands, and

advance pay.

**DAQUERROTYPES** can be as accurate as made by the new photographic process. They are required, safe, and beautiful. They are made in Oil, Water, and Gesso. They are made from the life by this process. They require no killing time for a common daquerrotype. They are made in the studio, and are of the same length of long settings. Gesso daquerrotype is new, and of unsurpassed refinement and beauty. It is the first time in England, offered to the public. Their great brilliancy and permanency render them peculiarly suitable for fine, large, and small. For the first time in England, offered to the public.
